Friday 10th June 2022

Dear Parents and Carers,

Geography Quiz

During this half term, we will be holding a Key Stage 2 geography quiz. We are holding this competition as we want to develop our children's knowledge of the world in a fun and engaging way. This is something new for Colmers Farm and we are really excited by it.

Our quiz will consist of two rounds. The first round will be an elimination round where all of our children will compete within their year groups. There will be 4 winners in each year group (one from each house) who will move through to Round 2. These winners will then form house teams with children from other year groups and they will compete against each other in a special competition. This will be watched by rest of our KS2 children. The house with the most points by the end of the quiz will be the overall winners.

With this letter, there is a knowledge organiser. Please encourage your child to revise the knowledge organiser ready for Round 1 on Friday 17th June 2022. All the answers to our Round One quiz will be on here somewhere.

The date of the Round 2 is to be confirmed. A knowledge organiser will be sent out closer to the time for our Round 1 winners.

We hope that all of our children will enjoy taking part in this competition.

Thank you for your cooperation and support.

Your sincerely,

Miss Freemantle and Miss Wood
(History and Geography Leaders)
