Dear Parent/ Carer,

Year 5 are being given the opportunity to participate in Bikeability this year. Bikeability is the government's national cycle training programme. It helps you learn practical skills and understand how to cycle on today's roads. Bikeability gives everyone the confidence to cycle and enjoy this skill for life.

Bikeability will run during the school day and will commence the week beginning **Monday 24th June 2023**. The children will have the opportunity to complete levels 1 and 2 during the week and will receive a certificate, which will contribute towards their SAGE award (Getting Active).

For your child to participate in Bikeability, please can you complete the form below carefully and return it to school by **no later than Monday 17th June, 2024**.

Article 29

Your education should help you use and develop your talents and abilities. It should also help you to learn to live peacefully, protect the environment and respect other people.

We have been running Bikeability at Colmers Farm Primary School for several years now and the children really enjoy learning new skills and developing their confidence on their bikes.

We also want to encourage all children to develop their talents and Bikeability equips them with vital skills for life. Pupils learn to cycle, gain independence, and improve their social skills.

Please feel free to find any additional information on the Bikeability website on www.bikeability.org.uk

If you have any further questions, please do not hesitate to ask myself or a member of the Year 5 team.

Thank you for your continuous support,

Miss Wood
Personal Development Lead
