My Name is June Taylor and I am Colmers Farm Primary School's Pathfinder School Based Worker.

I have worked at Colmers Farm for over 40 years mainly as a TA, however I have been in my current role as Pastoral Manager since 2017 which has included being the school's Pathfinder School Based Worker.

I have lived in Rubery for most of my life. I grew up in a house that was always busy with children as my parents were foster carers and I always knew that I wanted to work with children too. I have 2 grown up daughters and 3 beautiful grandchildren who are my absolute world and I love spending time with them. I also have 2 naughty dachshunds called Cookie and Coco and a cat called Treacle. There's always a bit of a food theme with our pets.

I am really happy to help where ever I can!

**Please feel free to pop into school for an informal chat or give me a call on the school number**

I can offer support to parents & carers about lots of things, not just about your child in school.  
Please see the other side of the leaflet for more details or get in touch with me to ask what I can support with - if I'm not sure I will find out for you!

We can't resolve all challenges, but  
**sometimes its just about walking with you as another human being.**
