Digital Leaders

We began our Digital Leaders journey 2 years ago and it has been a huge success. Children from both Year 4 and Year 5 are trained in a variety of I.T skills during one lunchtime a week. These children are also on a rota to help support other children during lunchtime club. The Digital Leaders learn E-safety, Coding, how to use Microsoft office, Minecraft and many other skills.

Children that are involved in Digital Leaders played a very important role in gaining the Dyslexia Award for Colmers Farm as well as utilising the scanning pen system. They were able to speak to adults from both projects, explaining how we can help and improve our schools I.T. Digital Leaders trial any new clubs and they then support children after school in clubs.

We would like to continue with the Digital Leaders this year, however, we need to train new leaders. If you love I.T, have commitment, and want to learn how you can help other children with new computer skills, then you could become one of this year's digital Leaders.

There are 4 spaces available. If you are interested, please fill in this form and return it too either Mrs Rayment or Miss Kent by **Friday 18th October 2023.**

We look forward to reading your application and choosing our next Digital Leaders.

Mrs Rayment
Teaching Assistant / Digital Champion

Miss Kent
Class Teacher

2022-2025
