11th November 2024

Dear Parent/Carer,

Geography Awareness Week – Homework competition

The week beginning **Monday 18th November 2024** is Geography Awareness Week. With this in mind, we would like to launch a geography homework competition that celebrates our local area.

Pupils are invited to produce a fact file, poster, leaflet or even challenge themselves to draw a map of the local area (this could be the area around school or where you live).

We would like completed entries (including the child's name and class) by **Friday 22nd November** (handed to your child's class teacher).

Entering the competition is optional, but strongly encouraged. Every entry will receive a hot chocolate nomination with a prize for the winning entry. The winner will be announced during celebration assembly on Friday 29th November.

Thank you as always for your continued support.

Yours Sincerely,

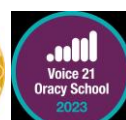

Miss Freemantle
