Friday 20<sup>th</sup> December 2024

Dear Parents/Carers,

We are very excited to announce that we would like to select two Head Pupils in Year 6 in January 2025. The children will have extra responsibilities within school and will be given the opportunity to work closely with Mrs Young in organising events and having a strong presence around school.

If your child would like to be considered for the position, then they will need to write a letter of application to Mrs Young. Within the letter of the application, your child will need to explain why they feel that they would be the best candidate for the position. The letter will need to be handed into Mrs Young by **no later than Wednesday 7<sup>th</sup> January 2025**. It is expected that the Head Pupils will demonstrate, in their everyday lives, all the values that the school upholds.

If your child is shortlisted, then they will need to present to the rest of the school as to why they feel that they would be a suitable Head Pupil. The children across school will then democratically vote for the best candidate.

A Head Pupil needs to be resilient, hardworking, shows kindness to others, can present in front of a large audience confidently and is prepared to give up some of their free time to complete extra responsibilities around school.

This is an excellent opportunity for all our Year 6 Pupils, and we are very excited to welcome two Head Pupils to represent Colmers Farm Primary School.

If you have any questions, please speak to Mrs Young or a member of the Year 6 team.

Good Luck to all candidates applying for the position.

Yours sincerely,

**Mrs Young**  
**Head of School**
