Dear Parents and Carers,

Year 2: Maths Inspire Workshop

We will be holding our Year 2 maths workshop on **Monday 10th March at 2:15pm.**

At the workshop we will share with you how your child is taught Maths in Year 2 and discuss the ways in which you can help your child through this journey.

To become a successful mathematician, a positive parent partnership is needed between home and school, therefore we hope you will join us to support your child's learning and development.

The inspire workshop will take place in the lower hall with the children joining us for the session. Please complete the slip below to confirm your attendance.

We look forward to seeing you.

Kind regards,

Miss Murphy
