Monday 27th February 2025

Dear Parents/Carers

Friday 7th February 2025 - NSPCC Number Day – Times Table Rock Stars competition

On Friday 7th February, UK's leading child protection charity and Times Tables Rock Stars are teaming up for the 9th year in a row to celebrate the NSPCC's Number Day. The online times tables competition will boost maths confidence alongside accuracy and recall speed.

Pupils in KS2 will be challenged to log-in to Times Table Rock Stars and answer as many multiplication and division questions as correctly as they can. The winning school and class will be based on the highest average number of correct answers per pupil. Every correct answer that a pupil gives, in any game type, between the hours of 7:30am to 7:30pm will contribute to their class and school score. There is a 60-minute limit playtime per player.

Pupils with the highest scores across the school will be awarded with certificates. If Colmers Farm Primary School achieve the most points nationally, it would be a huge achievement and a success we would be extremely proud to recognise and celebrate. We are so excited for KS2 pupils to be involved in this competition and are looking forward to raising the profile of Times Table Rock Stars.

Yours sincerely,

Mrs H Platt
Maths Lead
