12<sup>th</sup> December 2024

Dear Parents and Guardians,

We are writing to inform you that, starting from January 2025, we will be moving to a new catering supplier, **Coombes Catering Partnership**, who will be providing our school meals. This change is part of our ongoing efforts to improve the quality and variety of food offered to the children. **See menu attached.**

To help us plan for the upcoming term, we kindly ask that you make a decision about your child's meal preferences for half a term at a time. Children will need to have the same option for the half term – no longer swapping on a daily basis.

1. **School Dinners** – Your child will have the option to choose from a variety of meals each day. Coombes will offer a wide selection, and we are confident that there will be something to suit all tastes.
2. **Packed Lunch** – If you prefer for your child to bring a packed lunch from home, this will continue to be an option.

For those of you whose children are entitled to **free school meals**, we strongly encourage you to opt for school dinners, as there will be a variety of meal choices that should appeal to all pupils. If, however, your child wishes to change back to packed lunches after trying the meals, please speak with the office.

Please indicate your choice by completing the attached form and returning it by **16<sup>th</sup> December 2024**. This will ensure that we can make the necessary arrangements with Coombes to cater for all students.

All meals must be paid for in advance on Arbor and can be paid for on a weekly basis. Payment can also be made at the school office using a debit or credit card.

We are excited about this new partnership with Coombes Catering and believe it will provide an enhanced dining experience for our pupils. If you have any questions or require further information, please do not hesitate to contact us.

Yours sincerely,

*E Young*
