

Year One

Animals

Everyday materials

Plants

Seasonal changes

Year Two

Animals including humans

Living things and their habitats

Everyday materials

Properties of Material

opaque	transparent	stretchy
rough	smooth	fluffy
absorbent	waterproof	cold
		warm

Forces and magnets

Functions of different plant parts and life cycle

Materials

Light sources and the formation of shadows

Different types of rocks and fossil formation

Animal and Human skeletons and Nutrition

Year Three

Plants

Year Four

Animals including humans

Electricity

Materials and States of Matter

Living things and their habitats

Sound production

Year Five

Forces and magnets

Earth and Space

Properties and changes of materials

Living things and their habitats

Animals including humans

Year Six

Living things and their habitats

Evolution and Inheritance

Electricity

Light
